

OMPI Well Represented at World Congress 2015

Sunday, June 7, 2015

At the upcoming [World Congress on Medical Physics and Biomedical Engineering](#) in Toronto, OMPI member will present dozens of works representing the wide range of research interests and applications encompassed by OMPI. A detailed listing and schedule is available [here](#).

Additional information about OMPI will be available at its **booth** throughout the congress.

World Congress 2015: Carleton Medical Physics and Biomedical Engineering to Exhibit

Friday, March 27, 2015

Connect with Carleton University's medical physics and biomedical engineering research and education programs by visiting our exhibit at the triennial World Congress coming up in Toronto this June.

We'll be at **Booth 3406** in exhibit Hall E, Level 800, South Building of the Metro Convention Centre, not far from the posters, towards the left as you enter the hall. Come meet current students and faculty and learn about all that Carleton and Ottawa have to offer.

Exhibition Hours:

- Sunday, June 7: 18:00 – 20:00 (Welcome Reception)
- Monday to Thursday, June 8 to 11: 9:30 – 17:00
